Mike -

I very much appreciate you sharing this draft letter. I actually don't find it to be innocuous. I have grave concerns about one statement in particular - the last sentence in the third paragraph. I do not believe this is a correct application of 404b1 as you seem to be limiting the LEDPA to only that which is permitted under BDCP, without 404b1 analysis. I'm sure this is not what you intended. I'd be happy to discuss this and/or offer an edit if that would be useful. I'm around all day today. - Karen

Karen:

Just wanted to share our draft letter to DWR, a follow-up to a meeting we recently had. Although pretty innocuous, it provides clarification on program vs. project purpose statements.

We're planning to send the letter this afternoon. Let me know if you have any questions/comments.
